

# Tentative Trail Crossing Design

Iowa Department of Transportation

Illinois Department of Transportation

## Proposed Mississippi River Trail Crossing Highlights:

- Provides a new 14-foot trail along the west side of the new I-74 bridge with potential overlook areas
- Connects to existing trails along the Moline and Bettendorf riverfronts
- Trail will be physically separated from the I-74 roadway
- Trail construction will be funded jointly by Iowa DOT, Illinois DOT, Moline and Bettendorf
